[2] The Zoning Administrator may refer to the Planning Commission for review and final decision any action which the Zoning Administrator believes warrants the scrutiny and discretion of the Planning Commission.

24-190 Application Preparation and Filing

A. Pre-Application Conference.

1. The County encourages prospective applicants to request a pre-application conference with the Department of Development Services before completing and filing a permit application.
2. The purpose of a pre-application conference is to:
 - a. Inform the applicant of County requirements as they apply to the proposed project;
 - b. Review the County's review process, possible project alternatives, or modifications; and
 - c. Identify information and materials the County will require with the application, and any necessary technical studies and information relating to the environmental review of the project.
3. Information and materials provided by County staff to the applicant at the pre-application conference shall not be construed as a recommendation for either approval or denial of the proposed project.
4. Failure by County staff to identify at a pre-application conference all studies or application requirements shall not constitute a waiver of those studies or requirements.

B. Application Contents.

1. All applications for a permit required by the Zoning Ordinance shall be filed with the Department of Development Services on an official County application form.
2. The application shall be filed with all required fees, deposits, information, and materials as specified by the Department of Development Services.
3. The County encourages applicants to contact the Department of Development Services before submitting an application to verify which materials are necessary for application filing.

C. Eligibility for Filing.

1. An application may only be filed by the owner of the subject property or a lessee or authorized agent of the owner with the written consent of the property owner.
2. The application shall be signed by the owner of the subject property or a lessee or authorized agent of the owner if written authorization from the owner is filed concurrently with the application.

D. Rejection of Application. If the Zoning Administrator determines that an application requests permission for an action not allowed in the applicable zone or that cannot lawfully be approved by the County, the Zoning Administrator shall not accept the application for processing.

E. Multiple Applications. If more than one permit application is submitted for a single proposed project, the entire proposal shall be acted upon by the highest applicable review authority. For example, if a proposal involves both a Minor Variance and a Conditional Use Permit, the Planning Commission shall act upon both permits.

24-191 Application Fees

Application fees required for any permit application shall be paid as required by the Butte County Master Fee Schedule.

24-192 Initial Review of Application**A. Review for Completeness.**

1. The Department of Development Services shall review each application for completeness and accuracy before it is accepted.
2. Acceptance of the application by the Department of Development Services shall be based on the County's list of required application contents and any additional written instructions provided to the applicant in a pre-application conference or during the initial application review period.
3. Within 30 calendar days of application acceptance, the applicant shall be informed in writing that the application is complete and has been accepted for processing, or that the application is incomplete and that additional information is required.
4. When the Department of Development Services determines that an application is incomplete, and the applicant believes that the application is complete or that the information requested by the Department of Development Services is not required, the applicant may appeal the determination in compliance with Article 37 (Appeals and Calls for Review).
5. After the County has accepted an application as complete, the Department of Development Services may require the applicant to submit additional information for the environmental review of the project in compliance with the California Environmental Quality Act (CEQA).

- B. Referral of Application.** At the discretion of the Department of Development Services, or where otherwise required by the Zoning Ordinance or State or federal law, an application may be referred to any public agency that may have an interest in the proposed project.

24-193 Project Evaluation and Staff Reports

- A. Staff Evaluation.** Department of Development Services staff shall review all applications to determine if they comply with all applicable requirements, including the Zoning Ordinance, other applicable provisions of the Butte County Code, the General Plan, applicable specific plan or community plan, and the Butte County Improvement Standards where applied.
- B. Staff Report.** Department of Development Services staff shall provide a written recommendation to the Planning Commission or Board of Supervisors (as applicable) as to whether the application should be approved, approved with conditions, or denied.
- C. Report Distribution.** Each staff report shall be furnished to the applicant at the same time it is provided to the review authority before action on the application.
- D. Exceptions to Butte County Improvement Standards.** The review authority may consider exceptions to the Butte County Improvement Standards, where such standards are applied under this chapter. The exception may accompany the application, or be submitted no more than 10 days after receiving notice from the County of the required improvement. The exception to Butte County Improvement Standards shall state fully the grounds and facts relied upon to support the exception. The review authority must find that all of the following facts apply with respect to the request for exception:
1. That there are special circumstances pertaining to conditions, topography, size, shape or location of existing development affecting the property,
 2. That the granting of the exception to the Butte County Improvement Standards will not be detrimental to the public welfare or injurious to other property located within the surrounding zoning districts.

24-194 Environmental Review

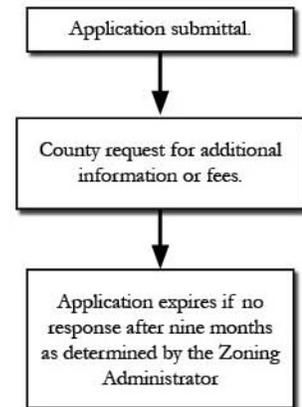

- A. CEQA Review.** After acceptance of a complete application, Department of Development Services staff shall review the project in compliance with CEQA to determine whether:
1. The proposed project is not a project as defined by CEQA;
 2. The proposed project is exempt from the requirements of CEQA;
 3. A Negative Declaration may be issued;
 4. A Mitigated Negative Declaration may be issued; or
 5. An Environmental Impact Report (EIR) is required.

- B. Compliance with CEQA.** These determinations and, where required, the preparation of appropriate environmental documents, shall be in compliance with CEQA and any adopted Butte County Environmental Review Guidelines.
- C. Special Studies Required.** Special studies, paid for in advance by the applicant, may be required to supplement the County’s CEQA compliance review.

24-195 Applications Deemed Withdrawn

- A. Response Required.** If an applicant does not provide information specified in Section 24-190B or the fees specified in Section 24-191 as requested in writing by the Department of Development Services within nine months following the date of the certified letter, the application shall expire upon a hearing by the Zoning Administrator. See Figure 24-195-1 (Applications Deemed Withdrawn).
- B. Refund of Fees.** Any remaining fees submitted with the project application shall be returned to the applicant in the event that an application is deemed withdrawn.
- C. Resubmittal.** After the expiration of an application, future County consideration shall require the submittal of a new complete application and associated filing fees.

Article 28. ZONING CLEARANCES

Sections:

- 24-196 – Purpose
- 24-197 – Applicability
- 24-198 – Review Authority
- 24-199 – Review and Action
- 24-200 – Public Notice and Hearing
- 24-201 – Conditions of Approval

24-196 Purpose

This article identifies the process for obtaining a Zoning Clearance. A Zoning Clearance is a ministerial procedure used by the County to verify that a proposed use or structure complies with the Zoning Ordinance. Zoning Clearances are processed as part of a building permit application and do not require the submittal of a separate permit application. A Zoning Clearance does not determine whether a parcel is a legal parcel pursuant to the State Subdivision Map Act (see Butte County Code Section 20-166 Certificate of Compliance)

24-197 Applicability

A Zoning Clearance is required prior to the issuance of any building or grading permit.

24-198 Review Authority

The Zoning Administrator shall take action on all Zoning Clearances.

24-199 Review and Action

- A.** An applicant requesting approval of a building or grading permit is not required to submit a separate application for a Zoning Clearance. However, any person eligible for filing a permit application as specified by Section 24-190 (Application Preparation and Filing) may voluntarily submit a zoning clearance request to the Department of Development Services.
- B.** Department of Development Services staff shall review building or grading permit applications, or voluntary Zoning Clearance requests, to verify compliance with the Zoning Ordinance. If the project complies with the Zoning Ordinance, the Zoning Administrator shall approve the Zoning Clearance. Department of Development Services staff shall attach a record of the approved Zoning Clearance to the approved building or grading permit application.

24-200 Public Notice and Hearing

No public notice or hearing is required for a Zoning Clearance.

24-201 Conditions of Approval

No conditions of approval shall be attached to the approval of a Zoning Clearance. Conditions from previous land use entitlements would still apply regardless of Zoning Clearance.

Article 29. ADMINISTRATIVE PERMITS

Sections:

- 24-202 – Purpose
- 24-203 – Applicability
- 24-204 – Review Authority
- 24-205 – Application Submittal, Review, and Action
- 24-206 – Public Notice and Hearing
- 24-207 – Conditions of Approval
- 24-208 – Post-Decision Procedures

24-202 Purpose

This article identifies the process for obtaining an Administrative Permit. An Administrative Permit is required for uses permitted as-of-right yet subject to specific Zoning Ordinance standards. An Administrative Permit is a ministerial procedure for the County to verify that a proposed use complies with all applicable standards. An Administrative Permit also enables the County to ensure that the applicant understands and accepts these standards. See Figure 24-202-1 (Typical Process for Administrative Permit Approval).

24-203 Applicability

Uses that require an Administrative Permit are specified in the land use regulation tables for each zone found in Part 2 (Zoning Districts, Land Uses, and Development Standards), and other uses as specified under this chapter.

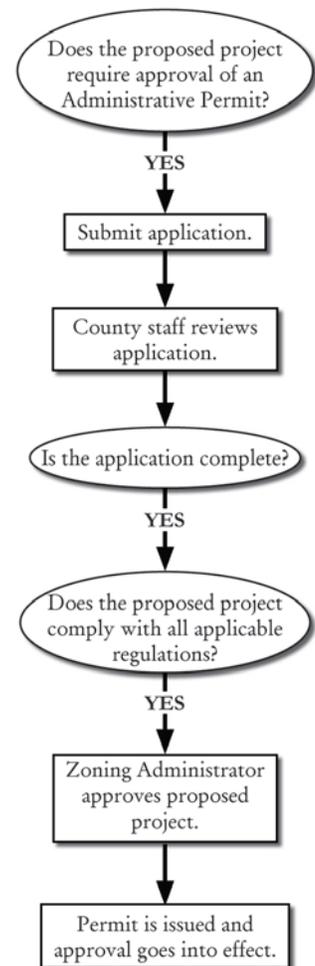

24-204 Review Authority

The Zoning Administrator shall take action on all Administrative Permit applications.

24-205 Application Submittal, Review, and Action

- A. An application for an Administrative Permit shall be filed on an official County form approved by the Zoning Administrator.
- B. The Administrative Permit application form shall contain applicable Zoning Ordinance standards and a place for the applicant’s signature acknowledging agreement to comply with these standards.
- C. Department of Development Services staff shall review the application to verify compliance with the Zoning Ordinance. If the proposal complies with the Zoning Ordinance and the applicant agrees to comply with all special standards, the Zoning Administrator shall approve the application.

FIGURE 24-202-1 TYPICAL PROCESS FOR ADMINISTRATIVE PERMIT APPROVAL

24-206 Public Notice and Hearing

No public notice or hearing is required for an Administrative Permit.

24-207 Conditions of Approval

No conditions of approval shall be attached to the approval of an Administrative Permit.

24-208 Post-Decision Procedures

The procedures and requirements relating to effective dates, permit expiration, and changed plans apply to Administrative Permits as provided in Article 34 (Post-Decision Procedures).

Article 30. RESERVED

Sections 24-209 through 24-216 are reserved.

Article 31. CONDITIONAL USE AND MINOR USE PERMITS

Sections:

- 24-217 – Purpose

A Conditional Use or Minor Use Permit is required for uses that are generally appropriate within a zone but potentially undesirable on a particular parcel or in large numbers. A Conditional Use or Minor Use Permit is a discretionary action that enables the County to ensure that a proposed use is consistent with all General Plan goals and policies and will not create negative impacts to adjacent properties or the general public. See Figure 24-217-1 (Typical Process for Conditional Use Permit Approval), and Figure 24-217-2 (Typical Process for Minor Use Permit Approval).

24-218 Applicability

Uses that require a Conditional Use or Minor Use Permit are specified in the land use regulation tables for each zone found in Part 2 (Zoning Districts, Land Uses, and Development Standards).

 - 1. The Zoning Administrator shall take action on all Minor Use Permit applications.
 - 2. The Zoning Administrator may choose to refer any Minor Use Permit application to the Planning Commission for review and final decision.

24-220 Application Submittal and Review

An application for a Conditional Use or Minor Use Permit shall be filed and reviewed in compliance with Article 27 (Permit Application and Review). The application shall include the information and materials specified in the Department of Development Services handout for Conditional Use and Minor Use Permit

applications, together with all required application fees. It is the responsibility of the applicant to provide evidence in support of the findings required by Section 24-222 (Findings).

24-221 Public Notice and Hearing

Public notice and hearing for a Conditional Use or Minor Use Permit application shall be provided in full compliance with Article 36 (Public Notice and Hearings).

24-222 Findings

The review and decision-making authority may approve an application for a Conditional Use or Minor Use Permit only if the proposed project complies with applicable standards in the Zoning Ordinance, other County ordinances, the General Plan, any other applicable community or specific plan, and the County Improvement Standards, and as supported by all of the following findings:

- A. The proposed use is allowed in the applicable zone or meets the criteria for the reconstruction or intensification of a nonconforming use per Article 22 (Nonconforming Uses and Structures).
- B. The location, size, design, and operating characteristics of the proposed use will be compatible with the existing and future land uses in the vicinity of the subject property.
- C. The proposed use will not be detrimental to the public health, safety, and welfare of the County.
- D. The proposed use is properly located within the County and adequately served by existing or planned services and infrastructure.
- E. The size, shape, and other physical characteristics of the subject property are adequate to ensure compatibility of the proposed use with the existing and future land uses in the vicinity of the subject property.

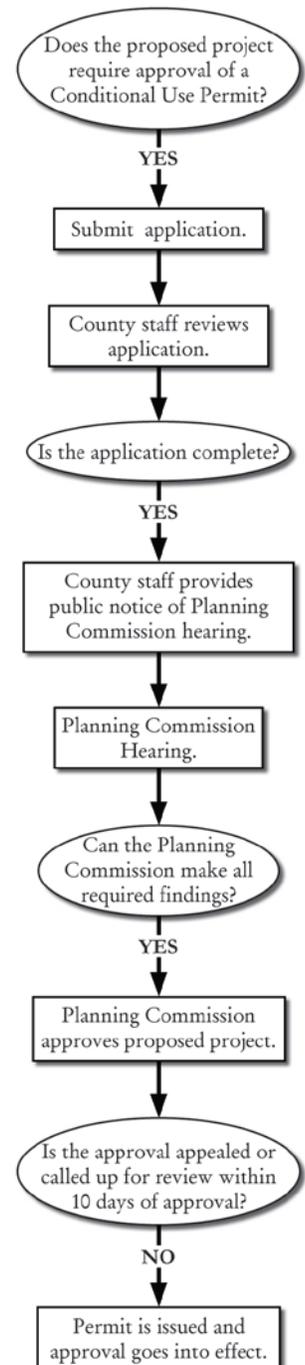

24-223 Conditions of Approval

- A. The review authority may attach conditions to the approval of a Conditional Use or Minor Use Permit as needed to ensure compliance with the Zoning Ordinance, other County ordinances, the General Plan, any other applicable community or specific plan, and the County Improvement Standards.

24-224 Post-Decision Procedures

The procedures and requirements relating to Appeals (Article 37), effective dates, permit expiration, permit revocation, and changed plans shall apply to Conditional Use and Minor Use Permits as provided in Article 34 (Post-Decision Procedures).

FIGURE 24-217-1 TYPICAL PROCESS FOR CONDITIONAL USE PERMIT APPROVAL

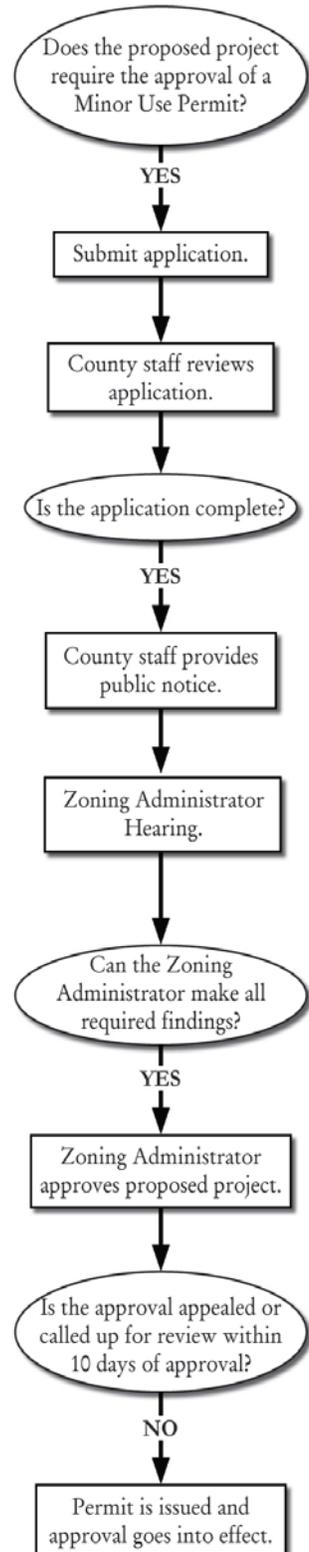

The procedures and requirements relating to notices of decision shall apply to Conditional Use and Minor Use Permits as provided in Article 36 (Public Notice and Hearings).

FIGURE 24-217-2 TYPICAL PROCESS FOR MINOR USE PERMIT APPROVAL

24-225 Annual Inspection

The Code Enforcement Officer may inspect any property subject to a Conditional Use or Minor Use Permit on an annual basis to verify compliance with applicable standards and conditions of approval. The County shall be reimbursed by the property owner or operator, as established by the Butte County Master Fee Schedule. Any code enforcement proceedings resulting from this inspection shall be conducted in compliance with Butte County Code Chapter 41 (Code Enforcement Policies and Procedures) and Chapter 32A (Property Maintenance and Abatement of Nuisances) and all other applicable sections of the Butte County Code.

Article 32. VARIANCES AND MINOR VARIANCES

Sections:

- 24-226 – Purpose
- 24-227 – Applicability
- 24-228 – Review Authority
- 24-229 – Application Submittal and Review
- 24-230 – Public Notice and Hearing
- 24-231 – Findings
- 24-232 – Conditions of Approval
- 24-233 – Precedent
- 24-234 – Post-Decision Procedures

24-226 Purpose

This article identifies the process for obtaining a Variance or a Minor Variance. A Variance or Minor Variance is a discretionary permit that allows for deviation from physical development standards contained in the Zoning Ordinance. A Variance or Minor Variance may be granted only when the strict application of development standards creates a unique hardship due to unusual circumstances associated with the property. See Figure 24-226-1 (Typical Process for Variance Approval), and Figure 24-226-2 (Typical Process for Minor Variance Approval).

24-227 Applicability

- A. Allowable Variances.** A Variance or Minor Variance may be granted to allow for deviation from any physical development standard that applies to the subject property. Examples of physical development standards include height, setbacks, open space, floor-area ratio, and off-street parking requirements.
- B. Variances Not Allowed.** A Variance or Minor Variance shall not be granted to authorize a land use that is prohibited in the applicable zone or to allow deviation from a requirement of the General Plan.
- C. Variance and Minor Variance Defined.**
 - 1. A Variance is required to approve a deviation from a standard by more than 10 percent.
 - 2. A Minor Variance is required to approve a deviation from a standard by 10 percent or less.

24-228 Review Authority

- A. Variance.** The Planning Commission shall take action on all Variance applications.
- B. Minor Variance.**
 - 1. The Zoning Administrator shall take action on all Minor Variance applications.
 - 2. The Zoning Administrator may choose to refer any Minor Variance application to the Planning Commission for review and final decision.

24-229 Application Submittal and Review

An application for a Variance or Minor Variance shall be filed and reviewed in compliance with Article 27 (Permit Application and Review). The application shall include the information and materials specified in the Department of Development Services handout for Variance and Minor Variance applications, together with all required application fees. It is the responsibility of the applicant to provide evidence in support of the findings required by Section 24-231 (Findings).

24-230 Public Notice and Hearing

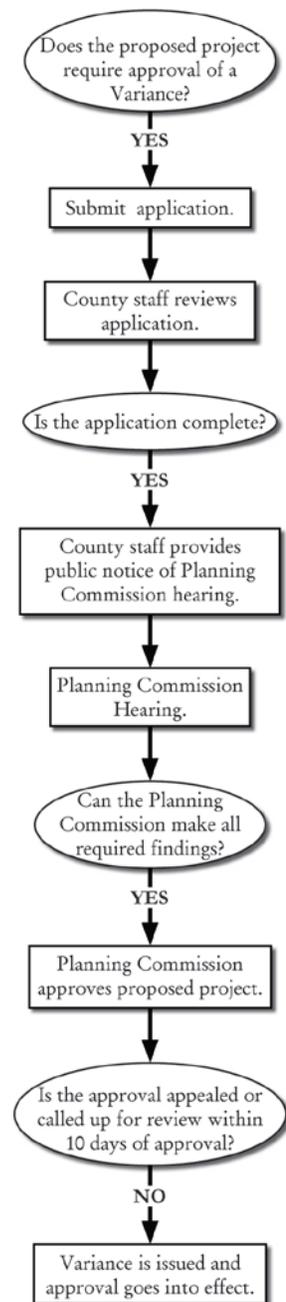

Public notice and hearing for a Variance or Minor Variance application shall be provided in full compliance with Article 36 (Public Notice and Hearings).

24-231 Findings

The review and decision-making authority may approve an application for a Variance or Minor Variance only if the proposed project complies with applicable standards in the Zoning Ordinance, other County ordinances, the General Plan, any other applicable community or specific plan, and the County Improvement Standards, and as supported by all of the following findings:

- A. There are unique circumstances applicable to the subject property, including size, shape, topography, location, or surroundings, that do not generally apply to other properties in the vicinity or in the same zone as the subject property.
- B. The strict application of the Zoning Ordinance requirements would deprive the subject property of privileges enjoyed by other property in the vicinity or in the same zone as the subject property.
- C. The Variance or Minor Variance is necessary to preserve a substantial property right possessed by other property in the vicinity or in the same zone as the subject property.
- D. The Variance or Minor Variance will not be materially detrimental to the public health, safety, or welfare, or be injurious to the property or improvements in the vicinity or in the same zone as the subject property.
- E. The Variance or Minor Variance does not constitute a grant of special privilege inconsistent with the limitations upon other properties in the vicinity or in the same zone as the subject property.

FIGURE 24-226-1 TYPICAL PROCESS FOR VARIANCE APPROVAL

- F. The Variance or Minor Variance does not allow a use or activity which is prohibited by the Zoning Ordinance in the applicable zone.
- G. The Variance or Minor Variance complies with applicable standards in the Zoning Ordinance, other County ordinances, the General Plan and any other applicable community or specific plan.

24-232 Conditions of Approval

The review authority may attach conditions to the approval of a Variance or Minor Variance as needed, except as otherwise being applied for in the Variance or Minor Variance, to ensure compliance with the Zoning Ordinance, other County ordinances, the General Plan, any other applicable community or specific plan, and the Butte County Improvement Standards.

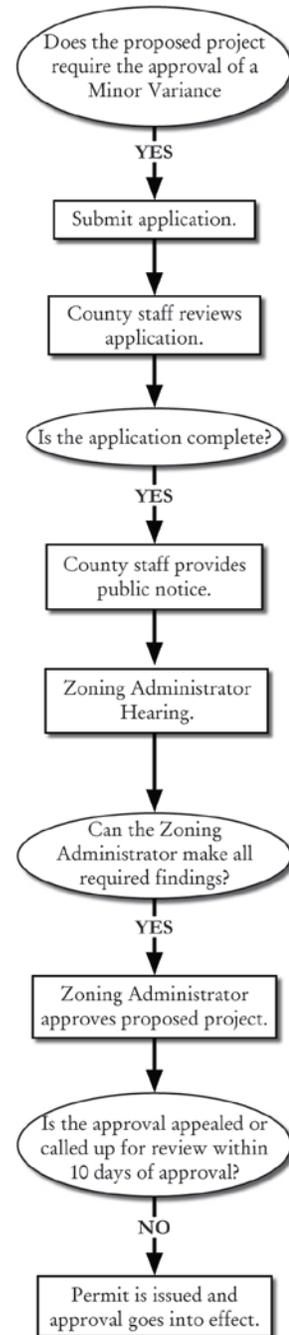

24-233 Precedent

The approval of a Variance or Minor Variance shall not set the precedent for the granting of any future Variance or Minor Variance. Each application shall be considered only on its individual merits.

24-234 Post-Decision Procedures

The procedures and requirements relating to Appeals (Article 37), effective dates, permit expiration, permit revocation, and changed plans shall apply to Variances and Minor Variances as provided in Article 34 (Post-Decision Procedures). The procedures and requirements relating to notices of decision shall apply to Variances and Minor Variances as provided in Article 36 (Public Notice and Hearings).

Article 33. REASONABLE ACCOMMODATIONS

Sections:

- 24-235 – Purpose
- 24-236 – Applicability
- 24-237 – Review Authority
- 24-238 – Application Submittal and Review
- 24-239 – Criteria for Decision
- 24-240 – Conditions of Approval
- 24-241 – Post-Decision Procedures

24-235 Purpose

This article establishes a procedure for requesting reasonable accommodation for persons with disabilities seeking equal access to housing in the application of the Zoning Ordinance and other land use regulations, policies, and procedures. A Reasonable Accommodation is typically an adjustment to physical design standards to accommodate ministerial permit processes such as a building permit for the placement of wheelchair ramps or other exterior modifications to a dwelling in response to the needs of a disabled resident. See Figure 24-235-1 (Typical Process for Reasonable Accommodation Approval).

24-236 Applicability

- A. Eligible Applicants.** A request for reasonable accommodation may be made by any person with a disability, their representative, or any entity, when the application of the Zoning Ordinance or other land use regulation, policy, or practice acts as a barrier to fair housing opportunities.
- B. Definition.** A “person with a disability” as defined by the Americans with Disabilities Act (ADA) is a person who has a physical or mental impairment that limits or substantially limits one or more major life activities, anyone who is regarded as having this type of impairment, or anyone who has a record of this type of impairment.
- C. Eligible Requests.** A request for Reasonable Accommodation may include a modification or exception to the rules, standards, and practices for the siting, development, and use of housing or housing-related facilities under the Zoning Ordinance that would eliminate regulatory barriers and provide a person with a disability equal opportunity to housing of their choice.

24-237 Review Authority

- A.** The Zoning Administrator shall take action on all Reasonable Accommodation applications.
- B.** The Zoning Administrator may choose to refer any Reasonable Accommodation application to the Planning Commission for review and final decision.

24-238 Application Submittal and Review

An application for a Reasonable Accommodation shall be filed and processed in compliance with Article 27 (Permit Application and Review). The application shall include the information and materials specified in the Department of Development Services handout for Reasonable Accommodation applications, together with all required application fees. It is the responsibility of the applicant to provide evidence in support of the criteria described in Section 24-239 (Criteria for Decision).

24-239 Criteria for Decision

The Zoning Administrator shall make a written decision and either approve, approve with modifications, or deny a request for Reasonable Accommodation based on consideration of all of the following factors:

- A. Whether the housing which is the subject of the request will be used by an individual defined as disabled under the Americans with Disabilities Act;
- B. Whether the request for Reasonable Accommodation is necessary to make specific housing available to an individual with a disability under the Americans with Disabilities Act;
- C. Whether the requested Reasonable Accommodation would impose an undue financial or administrative burden on the County;
- D. Whether the requested Reasonable Accommodation would require a fundamental alteration in the nature of a County program or law, including but not limited to land use and zoning;
- E. Potential impact on surrounding uses;
- F. Physical attributes of the property and structures; and
- G. Other Reasonable Accommodations that may provide an equivalent level of benefit.

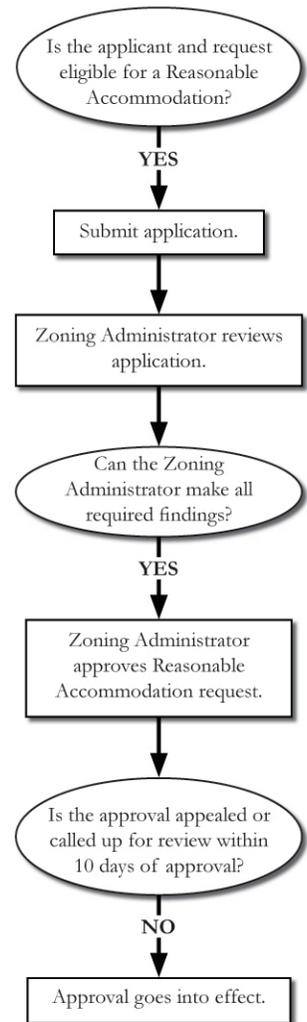

24-240 Conditions of Approval

In approving a request for Reasonable Accommodation, the review authority may impose conditions of approval deemed reasonable and necessary to ensure that the Reasonable Accommodation will comply with the criteria required by Section 24-239 (Criteria for Decision).

24-241 Post-Decision Procedures

The procedures and requirements relating to Appeals (Article 37), effective dates, permit expiration, permit revocation, and changed plans shall apply to Reasonable Accommodations as provided in Article 34 (Post-Decision Procedures). The procedures and requirements relating to notices of decision shall apply to Reasonable Accommodations as provided in Article 36 (Public Notice and Hearings).
